GSO SAFETY STATEMENT

Our group endeavors to provide a safe meeting place for all attendees and encourages each person here to contribute to fostering a secure and welcoming environment in which our meetings can take place. As our Traditions remind us, the formation and operation of an A.A. group resides with the group conscience. Therefore, we ask that group members and others refrain from any behavior which might compromise another person's safety.

Also, please take the precautions you feel are necessary to ensure your own personal safety, for example, walking to your car in a group after a meeting. If a situation should arise where someone feels their safety is in jeopardy, or the situation breaches the law, the individuals involved should take appropriate action. Calling the proper authorities does not go against any A.A. Traditions and is recommended when someone may have broken the law or endangered the safety of another person.

COVID PRECAUTIONS

Ventura County has an active face covering mandate in all indoor spaces. We are committed to the safety of all attendees and ask that you adhere to the policy:

"In addition to any State orders, face coverings, to be worn over the nose and mouth, are required regardless of COVID-19 vaccination status in all indoor public settings and businesses..."

SMOKING/VAPING

Smoking and vaping is limited to the beachside patio.
Ventura County Beaches are smoke/vape free spaces

IN CASE OF EMERGENCY

Anna - Chair: (805) 698-3102
Chris - Security chair: (805) 422-6708
Or find someone in a host or security shirt

SWAC FACTS AIM & PURPOSE

The Southwest Area Conference for Young People in Alcoholics Anonymous was originally conceived during a nearly five year stretch when there was only one regional Young People's Conference inside of a day's drive for residents of the Continental American Southwest. After the unanimous blessing of the WACY PAA Advisory Council, YPAAs from the southwest region planned an informal gathering at the 2012 WACY PAA in Tucson, AZ, where an Advisory Council to lead the idea from concept to actualization was formed. The Southwest Area Conference for Young People in Alcoholics Anonymous has been established as an annual gathering to promote participation, unity, and enthusiasm about recovery among young AAs in the region.

All across the Southwest there are young people achieving long-term, lasting recovery from alcoholism, but until now there has been no consistent vehicle for newcomers to be introduced to this reality throughout the area. To fill this void, SWACY PAA has been designed to enable smaller, sometimes less populated cities with growing YPAA communities to experience attending, bidding, and hosting a local area conference.

MEET OUR COMMITTEE
